I LOVE Hoopla, especially its instant checkout feature! With Libby, the app I used to use, it seemed like none of the books I wanted to read were instantly available; I'd have to wait forever before they were...I've been using Hoopla for months and haven't had to wait for a book yet!

—Karla, Hoopla user

# Maximize Your Impact

**Hoopla Instant** is only part of the answer. By consolidating Instant's pay per use offering, **Hoopla Flex's** one copy/one user model, and the simultaneous-use **Hoopla Instant Bundles** into one seamless experience, your staff spends less time managing holds and more time serving the community.

## Why libraries allocate more budget to Hoopla

### End Budget Waste

Approximately 70% of metered one copy/one user licenses never reach 50% utilization.

### Eliminate Underutilized Content

Over 10% of purchased metered titles never circulate at all.

### Instant Relief

Relieve Flex holds immediately with Instant titles or Instant Bundles.

### Proven Savings

Hoopla's management tools have saved top libraries more than **\$1 million per year**.

Your Library. Everywhere.
