# YOU ARE HOME

Draw the home of your dreams!

*Do you want* your home to be shaped like a rainbow? Have wings to fly? A rock climbing wall to reach the front door? A mountain of candy that it balances on?

# YOU ARE HOME

Write a poem about home!  
It can be written any way you want!

**Idea:** You can begin each line with the words “Home is” and end each line by describing something to do with 1.) your favorite color, 2.) your favorite food, 3.) your favorite activity, 4.) your favorite way to relax. And so on.
